Thornhill Academy - Attendance Policy

- 7.2. Attending all expected lessons on time.
- 7.3. Following the school's code of conduct.

8. Absence procedures

- 8.1. Parents should contact the school as soon as possible on the first day of their child's absence to explain why they were absent.
- 8.2. A phone call will be made to the parent of any pupil who has not reported their child's absence on the first day that they do not attend school. If the school is unable to make contact with the parent/carer, they may contact the pupil's emergency contacts and/or other professionals or contacts of the family who could reasonably be expected to be able to advise of the pupil's whereabouts.
- 8.3. The staff member will encourage the attendance of any pupil that they believe should be able to attend including those with minor ailments.
- 8.4. In the case of persistent absence, severe absence and at risk of persistent absence, arrangements will be made for parents to speak to the attendance staff. The school will inform the local authority (LA), on a termly basis, of

- 8.7. Where a pupil has not returned to school for 10 days after an authorised absence, or is absent from school without authorisation for 10 consecutive school days, the school will contact the Local Authority and follow the 'Child Missing Education' guidance. Following a 8 day period of absence without being able to see the child whilst conducting home visits, the Academy reserves the right to contact the police for a welfare check to be made so that the child is correctly safeguarded on.
- 8.8. Where the family is believed on the balance of probabilities to have taken an unauthorised term-time holiday and the parent is unable to supply appropriate evidence to the contrary a local authority penalty notice/fine will be issued in compliance with the 2024 statutory guidance.
- 8.9. Where there is a significantly high level of illness absence that is not explained by the acknowledged symptoms of a specific medical diagnosis, parents may be requested to provide medical appointment evidence for all illness before further illness authorisation is given (no evidence will result in an unauthorised absence (O code)).
- 8.10. This will be used to indicate the severity of the absence through illness, encouraging parents that this is unusual and requires appropriate medical scrutiny.
- 8.11. Where there are concerns that the absence of a child constitutes a risk of harm, safeguarding procedures will be followed as per the Safeguarding Policy.

9. Attendance register

- 9.1. The designated staff members will take the attendance register at the start of each school day and at the start of the afternoon session as a minimum. This register will record whether pupils are present or absent.
- 9.2. Pupils' legal attendance is defined as attendance or absence at a morning session and attendance or absence at an afternoon session and attendance after registers close will be treated as an absence according to the statutory guidance.

12. Term time leave of absence

- 12.1. Our aim is to prepare pupils for their future lives and careers. With this in mind, we require parents to observe the school holidays as prescribed.
- 12.2. The principal will be unable to authorise holidays during term-time.
- 12.3. The principal will be only allowed to grant a leave of absence in highly exceptional circumstances. Applications will be made in advance and the principal will be satisfied by the evidence which is presented, before authorising term-time leave.
- 12.4. Any requests for leave during term-time will be considered on an individual basis
- 12.5. Requests for leave will not be granted immediately before and during assessment periods or within the first couple of weeks of term.
- 12.6. If parents take their child out of school during term-time without authorisation from the principal, they may be subject to sanctions such as penalty notices and fines.
- 12.7. See Appendix B for local arrangements for requesting leave of absence.

13. Missing children

- 13.1. Pupils are not permitted to leave the school premises during the school day unless they have permission from the principal or Senior Attendance Champion.
- 13.2. The following procedures will be taken in the event of a pupil going missing whilst at school:
 - 13.2.1. The member of staff who has noticed the missing pupil will inform the Senior Leadership Team immediately.
 - 13.2.2. A member of staff will stay with the rest of the class, and all available members of staff will conduct a thorough search of the school premises as directed by a member of the senior leadership team.
 - 13.2.3. Staff will then search the area immediately outside of the school premises and will take a mobile phone with them so they can be contacted.
 - 13.2.4. If the pupil has not been found, then the parents of the pupil will be notified.
 - 13.2.5. The school will attempt to contact parents using the emergency contact numbers provided.
 - 13.2.6. If the parents have had no contact from the pupil, and the emergency contacts list has been exhausted, the police will be contacted.
 - 13.2.7. If the missing pupil has an allocated social worker, is designated as 'Looked After', or has any SEND, then the appropriate personnel will be informed.
 - 13.2.8. When the pupil has been located, members of staff will care for and talk to the pupil to ensure they are safe and well.
 - 13.2.9. The principal will take the appropriate action to ensure that pupils understand they must not leave the premises, and sanctions will be issued if deemed necessary.
 - 13.2.10. Parents and any other agencies will be informed immediately when the pupil has been located.
 - 13.2.11. The principal will carry out a full investigation and will draw a conclusion as to how the incident occurred.
 - 13.2.12. Appropriate disciplinary procedures are followed in accordance with the Behaviour Policy

14. Appointments

- 14.1. As far as possible, parents should attempt to book medical and dental appointments outside of school hours.
- 14.2. Where this is not possible, the school may ask to see some form of evidence such as an appointment card or hospital letter.
- 14.3. If the appointment requires the pupil to leave during the school day, they will need to be signed out at the school office by a parent.
- 14.4. Pupils should attend school before and after the appointment wherever possible.

15. Reduced timetables

- 15.1. All pupils of compulsory school age are entitled to a full-time education in school. In exceptional circumstances there may be a need for a reduced timetable to meet an individual pupil's physical or mental health needs. DfE guidance is very clear about the reasons why a reduced timetable might and might not be used. We only make use of reduced timetables in exceptional circumstances and in full compliance with the DfE guidance.
- 15.2. In particular:
 - 15.2.1. Any reduced timetable will be time-limited and will not be treated as a long term solution.
 - 15.2.2. It will have a target expiry date, after which a full time return to school will be expected.
 - 15.2.3. Reduced timetables will only be used to support a pupil's physical or mental health needs. They will not be used as a tool for managing behaviour.
 - 15.2.4. Reduced timetables will only be made with parental agreement and in compliance with the school's Safeguarding Policy.
 - 15.2.5. The school will mark the sessions where the pupil is not expected to attend as authorised absence. (Code C2 or X for non-compulsory school age pupils).

16.5 - Stage 4 - (Usually 90% or below) - Parent/carer will be referred to the Local Authority Legal Intervention Team. This could result in a penalty notice being issued or prosecution.

*Please be aware that every child's attendance is looked at on an individual basis. This may result in students escalated through stages. If your child suffers a medical condition that may affect their attendance the intervention/support strategies put in place would differ from those above provided supporting medical evidence was provided.

17. Penalty notices

- 17.1. Our use of penalty notices follows the statutory guidance on the national framework for penalty notices. (Working together to improve school attendance 2024 p.56 onwards)
- 17.2. Parents whose children fail to attend school regularly are committing an offence (Section 444 Education Act 1996). Penalty notices are issued to parents as an alternative to prosecution where they have failed to ensure that their child of compulsory school age regularly attends school, an agreed alternative learning provision or engage in agreed home tuition.
- 17.3. A Fixed Penalty Notice may be issued where there is overt truancy, inappropriate parentally-condoned absence, unauthorised holidays in term-time and persistent late arrival at school or where parents allow their child to be present in a public place during school hours without reasonable justification during the first 5 days of a suspension or permanent exclusion.
- 17.4. The threshold to consider issuing a penalty notice is 10 sessions (5 days) of unauthorised absence in a rolling period of 10 school weeks (A school week is any week in which there is at least one school session). This can be met with any combination of unauthorised absence and does not need to be consecutive. The 10 week period can span different terms or school years.
- 17.5. In individual cases the school and the local authority may move to issue a penalty notice where the threshold has not been met. This might apply, for example where several term time leaves of absence (mini holidays) are taken separated across the year so that they do not meet the threshold or for repeated absence for birthdays or other family events Local authorities may also issue penalty notices related to truancy sweeps.
- 17.6. In such cases, the school will:
 - 17.6.1. Consider if support is appropriate for the case.
 - 17.6.2. If support is given and is not working or being engaged with then a notice to improve may be issued or a penalty notice.
 - 17.6.3. If improvements are not made under notice to improve then an application for a penalty notice will be issued to the Local Authority. The local Authority may feel that prosecution is more appropriate in certain cases.
- 17.7. Only two penalty notices can be issued to the same parent in respect of the same child within a 3 year rolling period but the second penalty notice will be charged at a higher rate than the first. The first penalty notice issued to a parent in respect of a particular pupil will be charged at £160 if paid within 28 days. This will be reduced to £80 if paid within 21 days.

Thornhill Academy - Attendance Policy

- 17.8. A second penalty notice issued to the same parent in respect of the same pupil is charged at a flat rate of £160 if paid within 28 days. Following this, prosecution or other attendance legal interventions may be incurred. There is no right of appeal by parents against a penalty notice. Notices may be issued to each parent liable for the offence.
- 17.9. Any payments are to be paid directly to the local authority and if fines are not paid by the end of 28 days, the local authority may decide to prosecute.
- 17.10. For full information on penalty notices, please contact the local authority using the contact at the beginning of the policy

18. Notice to improve

- 18.1. A notice to improve is a final, formal opportunity for a parent to engage in support and improve attendance before a penalty notice is issued in line with processes set out in the local authority's local code of conduct and is led by the local authority.
- 18.2. It should include:
 - 18.2.1. Details of the pupil's attendance record and details of the offences.
 - 18.2.2. The benefits of regular attendance and parents' duty under section 7 of the Education Act 1996.
 - 18.2.3. Details of the support provided so far.
 - 18.2.4. Opportunities for further support and the option to access previously provided support that was not engaged with.
 - 18.2.5. A clear warning that a penalty notice may be issued or prosecution considered if attendance improvement is not secured within the improvement period.
 - 18.2.6. A clear timeframe for the improvement period of between 3 and 6 weeks.
 - 18.2.7. Details of what sufficient improvement within that timeframe will look like.
 - 18.2.8. The grounds on which a penalty notice may be issued before the end of the improvement period.
- 18.3. Where it is clear that improvement is not being made, it may be appropriate to issue a penalty notice before the improvement period has ended.

19. Removal from school roll

- 19.1. A pupil's name can only be deleted from the admission register for a reason set out in regulation 9 of the School Attendance (Pupil Registration) (England) Regulations 2024. Removal for any other reason could constitute off-rolling and cannot be removed retrospectively.
- 19.2. A return will be made to the local authority when a pupil's name is deleted from the admission register in accordance with regulation 13(4) to (6) except when a pupil's name is deleted at or after the end of the last term of the school year when they are in year 6 or Year 11.

- The headteacher will be only allowed to grant a leave of absence in highly exceptional circumstances. Applications will be made in advance and the headteacher will be satisfied by the evidence which is presented, before authorising term-time leave.
- Any requests for leave during term-time will be considered on an individual basis
- Requests for leave will not be granted Immediately before and during assessment periods.
- If parents take their child out of school during term-time without authorisation from the headteacher, they may be subject to sanctions such as penalty fines.
