Thornhill Parent Update 18th October 2024

Message from Headteacher

Yesterday evening we welcomed year 7 parents and carers into school, to meet with teachers and look at their children's books. It was an absolute delight to see so many parents and children attend together. Our year 7 students have made a fantastic start to their time with us at Thornhill. Everything we ask of them they do, and they are very keen to try new things, with many of them attending multiple extracurricular opportunities and clubs already. We are very proud of the strong start they have made with us, and last night it was very evident that their parents and carers were too. This was a very well attended evening and when speaking to school staff, they too, had really enjoyed meeting parents and carers and talking wholesomely about how well the children have settled into life and learning in our school.

In last week's newsletter we shared with you the homework timetables for each year group. These can also be found on the school website. As a parent or carer, you can keep a track of homework set through your child's Classcharts account. The majority of parents are already signed up to this, if you aren't, please could you contact school via the enquiries email (thr-enquiries@consilium-at.com) or by telephone and we will sort this out for you. Classcharts is a great communication tool for you to stay in contact with school, but also check remotely on your child's homework, attendance and praise points, amongst other things.

Please can I also remind you about our Christmas Appeal where we are collecting essential items, such as toiletries, tinned food, pasta etc. These can be left at reception, where these will be donated to families.

School closes on Friday 25th October at the end of the school day (3.10pm) for half term. We reopen on Monday 4th November for the start of the new half term. Please ensure that your child is in school for the whole week next week, every day is equally important in their learning journey.

Assemblies

This week's assemblies were led by Ms. Knowles, who spoke to our students about the importance of creativity. Ms. Knowles shared how artists use their work to communicate and advocate what they think and feel. The assembly also introduced the theme of the week in AM'PD, which is Anti Racism.

Friday 18th October is Wear Red for Racism Day. This is a campaign by the organisation, Show Racism the Red Card. Over the week, students have learned more about hate crime, what this means and its effects. We then explored what it means to be an ally. As a diverse school, proud of our culture, it is important to know how we support one another. Our work, this week, progressed to producing our own individual artwork to share our thoughts and feelings on the theme of the week. These were then assembled by our student council in a collaborative display, to show our unity and strength as an inclusive, yet diverse school community.

To further show our support, we invited all staff and students to wear red for #WRD24. A great display of support and allyship from our school community visually demonstrating our value of 'Partnership'.

Co-Curricular

This week, we had our last Boxercise session, with Lambton Street Youth and Community Hub. Over the last 6 weeks Vicki has been into the school to deliver sessions with our students. To end the series of fitness sessions, we took the students over to Lambton Street to see their facilities. With a full boxing gym, the students were very impressed and are keen to continue their sessions at the community hub. By working with Lambton Street, we aim to build our students' confidence and awareness of a wide range of activities available to them in the local community. This supports our school value of 'Opportunity'. We look forward to next terms Basketball sessions!

Consilium Eggheads

Well done, to our year 7 quiz team, who took part in their first of many general knowledge quizzes as part of our Consilium Eggheads competition! Our Sunderland Superstars performed well especially as competing against older year groups.

Outward Bound Trust Trip

There is still space on our Outward-bound trip in January. This is now open to all year groups too. For the highly subsidised price of only £205, students get 5 days in the Lake District taking part in activities to build teamwork, confidence and resilience. **Through grant funding this is the only time we will be able to offer this at such a reduced price.**

More information about the organisation can be found here:
