Thornhill Parent Update 8th November 2024

Message from Headteacher

We have had such a busy week at Thornhill, with so many activities enhancing the life experiences and chances of our students. Our school values of Opportunity, Partnership and Excellence.

Yesterday was our careers fayre, every year group had opportunity to visit this. For year 7 students this was their first steps into considering their future when they leave Thornhill in 2029! That might seem a long way away, but times goes by really quickly, and considering what direction you may want to take isn't just a focus for year 11 students.

Also, this week students had an amazing opportunity to visit The Place and the British eSports Academy. It was described by students as 'the best visit ever!' So many of our students have heard about the visit and have been asking for when we can have more visits. I am sure that Mrs Crooks will be organising more. This is certainly an area of future employment, that many of us would never have considered, in even the recent past. This is why relevant careers advice and exploration is so important for all our students.

If you aren't already following our social media, please do. It's a great way of finding out what our wonderful students are up to! Links to our Facebook and Instagram are below.

Monday, 18th November is an INSET day, school will be closed.

Year 11 Internal Assessments

Year 11 internal assessments will be taking place in school from, Monday, 25th November to Friday, 13th December. The link below will take you to timetable:

<https://www.thornhillschool.org.uk/page/?title=Students&pid=11>

To support your child in preparing for their mock examination subjects, lessons will be running as normal. We will also be running a series of booster sessions in the morning before each examination.

Your child has been given their personal mock examination timetable. The full mock examination timetable can be found on the website alongside further information about the examination preparation.

Pupils have been informed about examination regulations and this information can be found at:

Year 11 Period 6

Period 6 intervention will continue this half term straight after school from 15:10 – 15:40 (30mins). This is in preparation for the GCSE examination, and the following subjects will run sessions on the days listed below:

Maths – Wednesdays

Computing Science - Wednesdays

History – Thursdays

Geography – Thursdays

Assemblies

This week's theme helped us reflect upon the past and prepare for Remembrance Day. Miss Harris led the assemblies, which are always enjoyed by our students, as interesting stories from our past are shared, which help us understand the importance of Remembrance Day and what it means to us as individuals, as a community and as a nation. This year, Miss Harris focused on the anniversary of the D Day Landings. This theme followed into our AM'PD session, where students created their own boats, with their messages of remembrance. These will be used to create our Remembrance Day installation, as part of our ceremonies on Monday. Our senior students are also visiting tutor groups to collect donations for the Royal British Legions Poppy Appeal

Trips

This week, our students had the opportunity to sign up for a trip to the British eSports Performance Academy in Sunderland, thanks to AK Teaching. This was a highly popular trip, which was thoroughly enjoyed by the students. Across the day, students learned about careers in the digital and creative industries, as well as finding time to try the technology and eSports kit out for themselves. We really hope to visit again soon.

Year 10 had the opportunity to visit Sunderland College's City Campus for their Green Careers Event as part of Green Careers Week. Here, students visited a number of stalls, which shared information and insights into the future of green careers in the region, and how this links to college courses and pathways.

Our Student Council was invited to the City Hall this week, to meet our Mayor to the City of Sunderland and the Mayor's Consort. During our visit, students experienced the Council Chambers and found out about how local council meetings run, and the role of the Mayor. We were also invited to visit the Mayor's Chambers and took in the panoramic views across the city, before sharing how our school council runs, and discussing the similarities, and seeking advice on how to develop our own school council. The students really enjoyed the experience, and we would like to express our thanks to our Mayor, Councilor Alison Chisnell and Mayor's Consort, Mr. Alistair Tomson.

Talk Money Week

This week has been Talk Money Week, and we have been reading and discussing money related problems during AM'PD. Even with an increase in cost of living-related news, we know it can be hard to talk about money. Every year we get involved in Talk Money Week to encourage people to open up about their finances. Thanks to the resources provided by MyBnk, we hope you have checked out our 'Would You Rather' discussion cue cards, shared on social media to discuss money at home too.

Careers

This week, year 10 began their employability work, with the Department of Work and Pensions and the RISE workshop. The RISE workshop helps students to explore who they are and who they want to be, as they begin to shape their futures. They reflect on essential skills, and how these are needed in the workplace, and gain the chance to ask questions of visiting employers.

Photos to come...

Over the next 2 months, year 10 students will also get support from the DWP in their guidance lessons to explore these skills, and begin to write their own personal statements, and create their own CV's ready for the world of work. The first session involves lots of teamwork challenges, which have been enjoyed and reflected upon.

This week, we held our big annual Careers Fayre, with almost 20 organisations visiting to speak to all of our students throughout the day. Each year group took time to complete mini challenges, to help them find out more about the world of work and the vast range of possibilities ahead of them. Our visitors commented upon some excellent questions and aspirational attitudes of our students.

Outward Bound Trust Trip

There is still space on our Outward-bound trip in January. This is now open to all year groups too. For the highly subsidised price of only £205, students get 5 days in the Lake District taking part in activities to build teamwork, confidence and resilience. **Through grant funding this is the only time we will be able to offer this at such a reduced price.**

More information about the organisation can be found here:

Christmas

GIFT DRIVE

This year, we are collecting donations from Staff, Business links, and friends of the Schools, to provide our children with a Christmas gift especially for them.

If you are able, please bring donations of the following items to your designated collection point, by Friday 15th November. The initiative will then be launched with students.

- Toiletries
- Warm, clean clothing (coats/jumpers etc.)
- Non-perishable food items

On Saturday, 30th November, 11am-3pm our Wellbeing Hub will be full of amazing stalls to start your Christmas shopping; hot food & drinks will be flowing and there will be plenty of fun festive games to take part in. You can even win £100 cash and plenty of amazing prizes on our raffle. You will also find some on both our tombola and chocolate tombola too. And we can't forget Santa, who will be paying us a visit in his grotto!

We would love to see you there!

All funds raised, help us to continue providing services that support those in our area to achieve positive mental health.

Free Entry and Free Parking available.

A festive illustration for the Sunderland Mind Christmas Fair. At the top, a string of colorful stars (red, green, blue, white) hangs against a dark blue background. Below the stars, the text "Sunderland Mind CHRISTMAS FAIR" is written in white, with "Sunderland Mind" in a smaller font above "CHRISTMAS FAIR". To the left, a red starburst contains the text "£100 CASH RAFFLE PRIZE". In the center, the date and time "Saturday 30th November 11am-3pm" are written in white. Below the text, there are two illustrations: on the left, a red stall with a white roof and people; on the right, a green stall with a striped awning and people, including a bear. At the bottom left, a blue box contains the text "Lots of Festive Stalls", "Hot Food & Drinks", "Tombola Raffle", and "Take part in Fun Christmas Games". At the bottom right, a cartoon Santa Claus is shown with the text "Meet Santa!". At the very bottom, a dark blue box contains the address "Sunderland Mind Wellbeing Hub Church Street East, Sunderland, SR1 2BB".

famOrli:

Free Clinician-led Mental Health Webinars for Parents & Carers.

At Orli, we know that when it comes to supporting your children's mental health, you want to know what is going on, what you can do to help and if you are doing it right.

That's why we created famOrli - a clinician-led community for families and schools to access world-class clinicians and a supportive network without the wait.

To launch famOrli in the North East, we are hosting weekly online drop-ins and webinars starting on Monday, 7th October. The sessions will be online and completely free to access, giving you the chance to chat with, and learn from mental health and neurodiversity-specialist clinicians.

We're also launching a Sunderland-based group in our community, where parents can receive support from other parents, as well as from our mental health professionals. Think of it as your safe space to find answers to the tough questions.

How To Get Involved:

1. Join our WhatsApp Community: <https://chat.whatsapp.com/ELC2Lt6zYWIE9xsUVMB56R>
2. Book a free webinar or drop-in: <https://www.tickettailor.com/events/famorli>

ParentPay

It is important for all Parents/Carers to be using ParentPay as we are looking to become a cashless school. If you do not have your username and password, please contact reception or email:

Thr-enquiries@consilium-at.com

Adding ParentPay to your Phones

Adding the ParentPay icon to any phone is quick and simple.

The ParentPay site is device responsive which means it can be opened on any phone, tablet device and computer and sit perfectly within the screen allowing full functionality.

Please ask your parents to follow these instructions and this will give them a quick link into their ParentPay site allowing them to pay and book meals if appropriate.

iPhone Instructions

Step 1 - Navigate to www.parentpay.com using Safari and select the 'Share' icon on the bottom navigation bar (square with upward arrow).

Step 2 - Scroll across the options to the right, until you get the 'Add to Home Screen' option and click it.

Step 3 - Choose 'Add' in the top right corner (the default information will already be correct).

Step 4 - This will create a shortcut icon on your iPhone home screen.

Step 1

Step 2

Step 3

Step 4

Android Instructions

Step 1 - Type in www.parentpay.com into the phones' internet browser

Step 2 - Tap the 3 grey dots next to the search bar on the browser - as shown in the red circle.

Step 3 - This will bring up the menu on the browser. Tap on 'Add shortcut on Home screen' as shown in the red box

Step 4 - A message will pop-up on the browser confirming that the shortcut has been added to your home screen

Step 5 - Go to your home screen - where you will find the ParentPay tile which will direct you straight to the ParentPay application.

Step 5

Parent App

Student Information – PLEASE UPDATE NOW

It is important that we have up to date information on your child. This includes correct address and telephone numbers, emergency contact details, medical updates, including allergies, etc.

Much of this can be updated by parents/carers through the ParentApp. Please log into ParentApp and check that all the information that we hold for your child is correct and update where necessary.

If you are unable to access ParentApp, please contact the main school office who will be happy to assist by making the changes and helping you set up ParentApp for future use.

Free School Meals

Please see the school details for information around Free School Meal entitlement. If you are not currently entitled to receive Free School Meals, complete the form and if, in the future, circumstances change, the entitlement could automatically start for your child.

Lunch Accounts

We are currently looking at all student lunch accounts and will be contacting parents/carers where there is significant debt on a student's account. We will no longer be able to provide meals for those students who have considerable debt on their accounts and who make no payment to reduce the balance.

Please clear any overdrawn balance now or contact the main school office if this will cause undue financial burden.

Sharp Reporting System

Were you aware Thornhill has a web based anonymous reporting function? This is the direct link to the reporting feature, but this can also be accessed through the school website:
<https://thornhill.thesharpsystem.com/>

Please can we ask you to ensure that as a parent you have downloaded the app or access class charts via the browser <https://www.classcharts.com/parent/login> to login.

Class charts is the main method of communication between staff, parents and pupils. If you do not have these details or need your password resetting, please contact school and we can give you this over the phone or alternatively email thr-enquiries@consilium-at.com

Alumni Network

If you are a former pupil, we want to hear from you!

Thank you for the overwhelming support we always receive from parents.

We are extremely proud of our Alumni. When our students leave following completion of their GCSEs, they progress on to some incredibly exciting and far-reaching pathways.

What is it?

The Consilium Alumni will be a network of former students across all Consilium Academies.

The Alumni programme aims to:

- Allow continued support where needed for our former pupils
- Create a network of former pupils who are now in further education or employment, who may be able to use this experience to inspire and support current students
- Celebrate the achievements of former pupils
- Advertise local jobs which may appeal to former students and their families

Who can join?

Any former student or staff member from one of our Consilium Academies schools.

Join our network today and help us continue to build our Consilium community!
