

Thornhill Academy

Enriching Lives, Inspiring Ambitions

23rd June 2021

Dear Pupils, Parents and Carers,

Whilst this academic year has seen great disruption to our year 10 cohort, we have seen some excellent attitudes and resilience from our year 10 pupils. We acknowledge that this has been particularly hard for year 10 as they have only just embarked on their Key Stage 4 and GCSE courses.

To support their ongoing progress into year 11 we are keen to assess and report to parents where pupils are currently working at, at the end of year 10. This assessment will be a holistic process which will reflect the content of each course completed so far. Teachers will consider work that pupils have produced in class and whilst pupils will not be asked to complete full Mock exams, they may complete some mini assessments during lesson time over the next 2 weeks. Teachers will be communicating with pupils when and how these assessments will take place.

All year 10 pupils have been provided with revision guides and, along with the advice from teachers, we encourage all pupils to be in the habit of using these regularly but especially in the run up to their assessments.

We look forward to communicating with you the progress that has been made so far and planning ahead for year 11 so that we can help all pupils achieve their potential.

If you have any queries, please contact me and I will be happy to help.

Yours faithfully

Mrs C Crooks
