

## Thornhill Academy Wider Curriculum Activities

Every student at Thornhill has the potential to achieve great things both in and out of the classroom.

The timetable of wider curriculum activities below is open to ALL students free of charge! Participating in even one wider curriculum activity per term will give you the opportunity to meet new friends, learn new skills and develop your employability.

For more information about the activities please see a member of staff in the department.

Activity Name	Description	Skills I Will Develop	Career Links	Day and Time	Room
<p><b>Coding Club</b></p> <p>Curriculum Area: Business and ICT</p> <p>Year groups: Year 7-9</p>	Develop your coding skills to solve a range of problems and write code that allows you to become a 21 <sup>st</sup> century computer program.
