@ THORNHILL WE BELIEVE...

We offer a vibrant, exciting and inclusive all-rounded education, where each student's unique needs, character and potential are recognised and respected. The staff at Thornhill commit themselves tirelessly to student success and wellbeing, and we celebrate the progress and achievement our students make.

@ THORNHILL WE BELIEVE...

We provide a safe, happy and nurturing environment in which we challenge all to strive for personal accomplishment within a broad, vibrant, and enriched curriculum.

WE PRIDE OURSELVES IN....

The whole child

We recognise and develop every child not just academically, but physically, emotionally and socially. It is our aim to create great learners, but also active, responsible citizens who lead successful, fulfilled lives.

Safe space for all

We ensure a safe, supportive and happy working environment for all students, where diversity is celebrated, and pupils and staff alike thrive.

Learning for life

We aim to develop a lifelong passion for learning through high-quality teaching which fosters curiosity and promotes independence.

WE PRIDE OURSELVES IN....

Opportunities for all

We provide all students the chance to engage in a wide range of enrichment experiences and activities.

Student-centric learning

Our curriculum is focused on the equality of opportunity, ensuring the needs of all pupils are met, and giving every individual a chance to realise their academic potential.

Strong parent/carer relationships

We recognise the important role parents/carers play in pupils' education, and work hard to include them (and their wider community).

WHAT WE BELIEVE IN.....

Ready

Respectful

Safe

We like to praise the positive behaviours
that we see!

- Punctuality: Pupils must arrive to every lesson on time and prepare for class.
- Attendance: Be here! Your achievement is directly linked to attending school.
- Uniform: Ties on, shirts tucked, black shoes. No coats worn indoors.
- Behaviour: Be sure to act safely and sensibly, inside and outside the classroom.

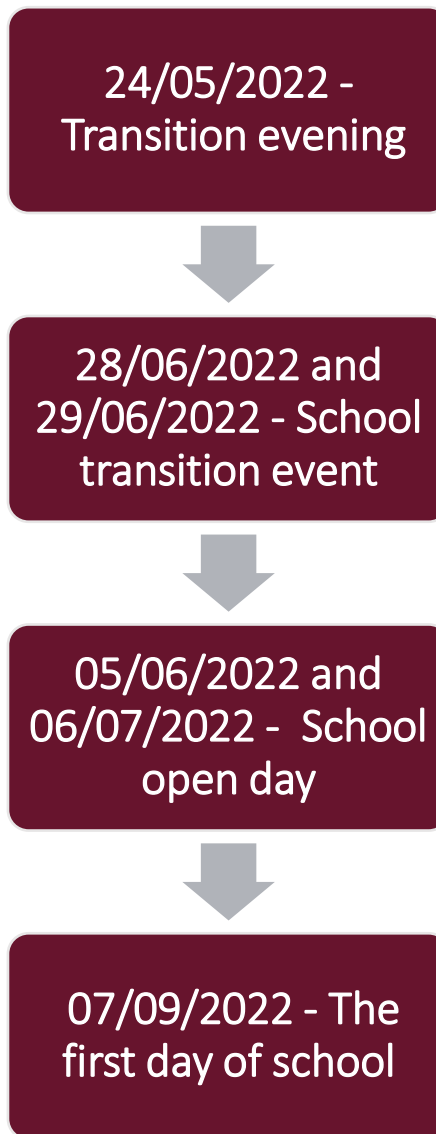

What do parents want to know?

Is my child going
to be happy?

Will my child be
safe?

To make sure the students settle well, we are going to build our transition programme around ensuring that they feel happy and safe and ready for joining us in September.
