Parental Newsletter

Message from Head Teacher

Welcome to this weeks' newsletter. As you read through you will see all the great work that is happening at Thornhill.

Our year 11 students had a great time at Newby Wiske Hall on their revision weekend. They were an absolute credit to themselves, their parents and our school. I think, both the staff and students are all looking forward to a weekend off after what has, in effect, been 12 consecutive days of work.

Could I invite anyone interested in joining our local academy board, to a meeting at 5pm on Wednesday 22nd March with myself and Denise Nicholson, our chair of governors. Please could you follow this link [Local Academy Board - expression of interest](#) to express your interest in attending this meeting.

An advanced reminder that school will close on Friday 31st March for the Easter holidays. This will be a normal school day with no early finish.

School will reopen on Monday 17th April for the summer term.

Spotlight on Curriculum

Religious Studies

What have we been learning?

Some fantastic pieces of homework from one of Mrs McLeish's Year 8 Religious Studies students. They have designed and made some amazing models of places of worship.

PE KS3

What have we been learning?

Year 7: Pupils have been exploring the swimming pool, looking at building their own water confidence and aquatic skills, ranging from buoyancy, starts, turns and diving. They have also been building and developing their swimming techniques in all the four major strokes:

- Front crawl
- Back crawl
- Breaststroke
- Butterfly

They will continue to improve these skills and begin to develop their own race style and speed.

Year 8: Pupils have been working extremely hard on water safety and personal survival in the pool. They have been engaged and interested in the skills required to save your life in water. They have looked at how the body can react in different temperatures and studied the effects of hypothermia. They will continue to develop these fundamental skills such as:
HELP positions
Treading water
Buoyancy assistant
Grouping survival techniques.

Year 9: Pupils have been studying different elements of their own personal safety in the water in both deep and shallow depths. They have also learned how to self-rescue, rescue others from both dry side and wet side. They have developed the skills to carry out a rescue in different scenarios that might occur around water as an individual or as a team. They will continue to develop these skills and look at basic CPR and first aid around water safety. This will be built on more at KS4 when doing their lifesaving certificate.

History

What have we been learning?

Jaber has produced an amazing piece of homework of the titanic. This is a great replica, and he has worked really hard. Well done Jaber!!

English

What have we been learning?

The English department would like to give a huge round of applause to all of our students for their ongoing hard work and resilience in lessons. We are thrilled to be able to showcase some of the fantastic work currently being completed.

Year 7

Year 7 have been exploring rhetoric in the form of campaigns. They've watched Greta Thunberg deliver a stirring speech on climate change, analysed audience reactions and are planning to write their own inspirational account of what we can do to protect the planet. This half term, we are focusing on key skills that will support the students throughout their time at Thornhill, such as analysis, inference, and their use of persuasive language techniques. They have been developing these skills since their arrival at school in September and are putting them to good use!

Would you like to volunteer at a World Class Event?

British Triathlon are looking for volunteer 'Tri Makers' to volunteer at this summer's World Triathlon Championship Series Sunderland 2023 (29th and 30th July, Roker). The World Triathlon Championship Series will be held for the first time in Sunderland on 29-30 July 2023 when the world's best triathletes will compete along the Sunderland seafront starting from the spectacular Roker Beach. Alongside the elite athletes, there will also be swim, bike, run events for participants of all levels and experiences. You can help to make World Triathlon Championship Series Sunderland happen by applying to volunteer to be a Tri Maker at the 2023 event.

We have a variety of volunteer opportunities (please see the list of roles below and attached posters and information). We encourage you to get involved whether you are a triathlon enthusiast or completely new to the sport. We will have roles available from Friday 28 July for event preparation and throughout the event weekend 29-30 July.

By being a Tri Maker, you can contribute to the success of one of Britain's most prestigious triathlon events and experience an event like you've never experienced before by volunteering to be part of an exciting weekend of swim, bike, run. For more information or queries please contact: trimakers@britishtriathlon.org.

Local Academy Board parent vacancy

In the coming months we will have a parental vacancy on our local academy board. We would like to invite anyone who is potentially interested in this position to meet with the Head Teacher and Chair of the Local Academy Board on Wednesday 29th March at 5pm in school. If you would be interested, please complete the following Google form [Local Academy Board - expression of Interest](#), or contact school reception and leave your contact details. The role of the Local Academy Board within our school and trust is explained below.

Consilium is a Multi-Academy Trust with a family of nine schools across the north of England. Within each school a Local Academy Board has been established. Local Academy Boards (LAB's) may also be known at other Trusts as 'Academy Committees', 'Local Governing Boards' or 'Local Advisory Committees'.

LABs are a formal and important part of the governance of Consilium Academies and the contributions of members are very much valued by the Trust Board.

Each LAB is composed of different members, two of which are elected by parents and carers of children on roll at the school. Parent members are elected through a process which is defined in a key document called the Articles of Association. Two further members of the LAB are appointed by staff within the school, and the remaining members (including the Chair) are appointed by the Trust Board.

Parent LAB members play an important role within the Board. The role is to support the Trust itself and provide insight on behalf of other parents of students who attend the school. A key function of the LAB is to engage meaningfully with all parents and [carers as a whole](#).

Some of the typical areas which are covered at local level may be:

- Support of the efficient and effective operation of the Trust and its policies
- Support and challenge (where appropriate) to the school leaders, particularly around issues related to school performance, pastoral [care](#) and the safeguarding of pupils
- Share issues and risks with the Trust Board if necessary
- Scrutiny of reports which may be supplied by school leaders or members themselves
- Provide a meaningful link with the community, parents and the students of the school, sharing feedback with the Board, regarding challenges but also to celebrate successes
- Provide feedback to the Trust Board in relation to policies and practices which are personal to the school (policies which are delegated to the LAB are identified in a document called the Scheme of Delegation).

Sharp Reporting System - Were you aware Thornhill has a web based anonymous reporting function? This is the direct link to the reporting feature, but this can also be accessed through the school website <https://thornhill.thesharpsystem.com/>

School Nurse Drop ins – At Thornhill, the wrap around and wider care of our pupils is paramount to ensuring they feel fully supported. We have moved our School Nursing drop-in sessions from the LRC, to our new Safeguarding and Wellbeing area of the school (Students would know this as where learning support used to be). The school nurses will be in school every Wednesday lunch time and will discuss any health-related issues with students and sign post them to appropriate support. Students can gain further information from Miss L Coates.

Trips & Visits

All Aboard!!

You may have seen through our social media streams, an amazing opportunity for our current Year 9 cohort. Setting sail from Royal Quays Marina, North Shields on Monday 15th May 2023, 12 students will be selected to spend 5 days and 4 nights aboard a fantastic fully funded sailboat, travelling up and down the northeast coast, stopping off at local ports to spend days on the beaches and going on fantastic adventures. If this is something your child in would be interested in, they can apply for a place by completing an application form, explaining the reason why they should be chosen for this once in a lifetime experience. Applications should be no more than one side of A4 paper and can be handwritten or typed. If you have any further questions, you can visit the organisations page via the link: <http://www.oynorth.org.uk/> or contact Mr Haley- Head of Year 9.

KS3 – Don't forget about the amazing opportunity to visit France next year. Register your interest with Miss Harris or Mrs Todd.

More details to follow soon.

Alumni Network

If you are a former pupil, we want to hear from you!

We are extremely proud of our Alumni. When our students leave following completion of their GCSEs, they progress on to some incredibly exciting and far-reaching pathways.

What is it?

The Consilium Alumni will be a network of former students across all Consilium Academies.

The Alumni programme aims to:

- Allow continued support where needed for our former pupils
- Create a network of former pupils who are now in further education or employment, who may be able to use this experience to inspire and support current students
- Celebrate the achievements of former pupils
- Advertise local jobs which may appeal to former students and their families

Who can join?

Any former student or staff member from one of our Consilium Academies schools.

Join our network today and help us continue to build our Consilium community!

Parent App

We are encouraging all parents/carers to sign up to the SIMS Parent App.

The App enables us to communicate easily with you and allows you to keep your child's information up to date. It also provides the opportunity to share information such as attendance, termly assessments, conduct, school reports and sending messages to or from school.

Once you are signed up, please check the data collection sheet as this shows the details that we hold for you and your child.

At the end of the process, you will be required to review the changes and submit to the school for us to process your changes. If there are no changes, please ensure you click on the confirm no changes button on the page.

We have included the parent guide on how to register for the App below.

Parent App Step 1 - Receive the activation email

- 1. We will send you an activation email. Simply click on the link inside the email from your tablet, PC or smartphone to activate your account.*
- 2. After clicking on the link in the email you will now be asked to login using your Facebook, Twitter, Google or Microsoft (including Office 365) account username and password. Don't have one of those accounts then click on More for the option to create a Microsoft account.*
- 3. You will be asked the date of birth for one of your children at the school.*
- 4. Click Verify and complete your registration.*

Now you just need to download the app!

The email will be from noreply@sims.co.uk so please check your SPAM or JUNK folder if you cannot find it.

If you still cannot find it, then please contact the school on

Parent App Step 2 - Download SIMS Parent App and Log in

thr-enquires@consilium-at.com

The app is free to download and can be used on both iPhone and Android devices.

- 1. Open the Apple store or Google Play store on your mobile device.*
- 2. Search 'SIMS Parent app' and select SIMS Parent by Capita PLC.*
- 3. Click install to download the app*
- 4. Once installed, open the app on your device.*
- 5. You will be asked 'Have you received an invitation from your school and completed registration?' Click yes*
- 6. Login using the account you signed up with.*

Alternatively, you can login in via the website:

www.SIMS-PARENT.co.uk

At Thornhill Academy we understand the importance of sharing information and news with our parents and carers. Each week we publish our Parental Bulletin to ensure you are kept up to date with recent school news.
