## Message from Head Teacher

On Monday, 21 of our pupils performed at the City Hall's Christmas Market, providing over 2 hours of musical entertainment, creating a lovely Christmassy atmosphere. They performed magnificently and were great ambassadors for the school, we are very proud of every one of them. As we approach Christmas, there are a number of other events where our students will be performing, including 17Nineteen on Wednesday, 20<sup>th</sup> December at 7pm, tickets are £2.00 each, and can be purchased through ParentPay. We would really love to see as many of you joining us at this event as possible.

Our student personal development programme, for all students, this half term has been focused on careers and planning for the future. This week we hosted another of our Business Breakfasts, to inspire all students to plan ahead for an ambitious career, in collaboration with further education providers and local businesses. This half termly event, is open to the entire school community and is set up to provide students with valuable insights into diverse career paths and opportunities. Please encourage you children to participate in this, it's never too soon to think about the next steps outside of Thornhill! Business Breakfast is held in The Thumbprint, all students are welcome to join a relaxed conversation with exhibitors and gain insights and information on diverse roles and sectors. The Business Breakfast is open from 8.00am until 8.30am during breakfast club for all students, with a more targeted student audience during registration period.

Whilst we are talking about careers, Year 10 will soon be considering their work experience placements for the summer, and we are pleased to extend our Morrisby Careers platform to help students, parents and carers plan ahead to this exciting stage in our student careers education. Last year, the students who engaged in their own face to face placements, gained so much from this, such as confidence, and developed communication skills, as well as a great experience to put into their CV's. Whilst there are benefits to different types of work experience, such as in school or online, we want to support and encourage all year 10 students to actively source their work experience placements. Parents and carers can massively support their children, by talking to them about getting involved in work experience. More information will be coming out soon to students and families of year 10 in the coming weeks.

As we move into the last 8 days of school, please can I reiterate that other than scheduled activities, lesson time will be just as it has been every day this academic year and therefore it is just as important that your child is in school up to the very last day on Wednesday 20th December.

Wishing you all a lovely weekend, hopefully one that is snow free.

## School News

### ParentPay App

Across school, we still have a significant number of students whose parents or carers have not registered for ParentPay, meaning that we are seeing huge amounts of cash on site. From a security and safeguarding standpoint, we want to stop this.

### **YOU MUST REGISTER FOR PARENTPAY NOW**

If you need help completing the registration, we are happy to accommodate this in school. Please phone 0191 500 7981 and if we cannot help over the telephone, we can book a convenient time for you to attend school so that we can work together to activate your account.

If you do not register or advise school why you are unable to, your child may miss out on opportunities as ParentPay is the required way to pay for school trips etc.

Thank you to those parents and carers who have made payment to clear their child's lunch account debt. Existing debt will need to be cleared by Friday, 15<sup>th</sup> December, you can contact the school to check how much is owing. If this will cause undue hardship, please speak to

your child's Head of Year, or access the FSM portal to see if your child could be entitled to free school meals [FSM eligibility checker](#)

Your child is also entitled to attend our free daily breakfast club.

## Thornhill Academy Breakfast Club

**Free breakfast available for ALL students**

### **2024 Teaching Awards now open for nominations**

Don't miss the opportunity to nominate a special teacher, colleague, or friend for the 2024 Teaching Awards. The nominations are free and there are 16 categories to choose from, including individual, team and support staff awards. This is a great way to show someone you appreciate their outstanding work and commitment.

## Co-Curricular

Our co-curricular timetable continues this half term. In guidance and assemblies, students are learning about transferable skills, and skills for employment. Taking part in activities at school, is integral to developing these life skills and preparing our young people for adult life. We aspire for all students to attend least 1 activity each week.

If parents have not yet given their feedback on our co-curricular provision, you can do so here: <https://forms.office.com/e/qSveb50jaM>

## Assemblies

This week our assembly was facilitated by Wearside Youth for Christ, a charitable organisation that regularly supports our students. Andy always provides an entertaining, yet thought provoking session, and this week he did not disappoint, with interactive quizzes and challenges, followed by some meaningful rhetorical questions. Students were first asked to reflect on how much of their money they might give away, to the less fortunate, before considering how else they can support with their time, their kindness, and their consideration for others. As a community, we are respectful, supportive, and look out for one another, which is reflected in our Thornhill Way.

We are role models  
for and support each  
other

We look out for each  
other and report any  
concerns

We greet people  
politely and show  
respect

## Careers

**Business Breakfast-** This week we held another Business Breakfast where all students can come along during Breakfast Club, to speak to employers and education providers before school, and during registration. It is important for our students of all ages to be thinking about the many possibilities and pathways ahead of them. It was fantastic to see more and more of our younger students being so motivated by their futures! For those students who took part in the High Five Activity, winners will be announced in the student bulletin on Monday. Thank you to Sunderland College, East Durham College, Springboard, Sunderland Care and Support and the RAF, for giving up their time to support our students. Our next event will be at the start of February.

If any parents, carers, or family members would like to join us at one of these relaxed breakfast meetings, to chat informally to students about the world of work, it would be great to hear from you. Please contact Mrs Crooks at:

# Standards and Expectations

## Uniform and Equipment

As the temperature has now dropped, please can we remind students of our uniform expectations, standards need to be maintained in all weather. Students must wear a Black V Neck Jumper underneath their blazer each day. If additional layers are required, then this needs to be a dark waterproof coat which is worn over the blazer. There should be no additional layers beneath the blazer. Tracksuit tops and Gillet style jackets are not permitted and will be confiscated if worn. Also, a reminder that trainers or converse style shoes are not permitted.

Students are required to bring their bag to school each day, along with their planner and pencil case with equipment. Please can you check that your child is fully equipped for school each day, ready to learn.

A massive thank you to parents for their support in ensuring students have full uniform, including a jumper, bag, equipment, and planner. If students have misplaced their planner, they can be purchased via the main office and money is payable via Parent Pay for £4. Other stationary items can also be purchased in the same way, 25p per item or £1.50 for the pencil case with all equipment.

## Class Charts - PLEASE LOGIN

***Please can we ask you to ensure that as a parent you have downloaded the app or access class charts via the browser <https://www.classcharts.com/parent/login> to login.***

Class charts is the main method of communication between staff, parents and pupils. If you do not have these details or need your password resetting, please contact school and we can give you this over the phone or alternatively email [enquiries@consilium-at.com](mailto:enquiries@consilium-at.com)

## Behaviour Policy

The behaviour policy has been reviewed, and there are changes which will be implemented to ensure there is a clear escalation process which is explicit to students. After school,

detentions will replace the RJC system that we have at present. The staged response is outlined in the table below. When a child reaches a C4, they will be given a same day 30-minute detention notification, this will be via class charts. If a child has two C4 behaviours in one day, they will be placed in Reflection for the remainder of the day and the same day, detention will be extended to 45 minutes. Parents will receive a second detention notification where this is the case. As detentions are on the same day, it is essential that all parents have access to class charts to ensure you receive these notifications.

C1	Warning	
C2	Second Warning	
C3	Teacher Conversation	
C4	Intervention - Relocation or Reflection	After School Detention – 30 mins
C5	Reflection – Whole Day	
C6	Cool off	
C7	Suspension	

If a child fails to engage, or fails to attend the detention, then there will be an escalation process and the detention will be extended. The next stage will be implemented the following day in school.

Stage 1	45 minutes After School Detention
Stage 2	Day in Reflection & 45 minute After School Detention
Stage 3	60-minute SLT Detention - Friday
Stage 4	Parental Meeting

## Lates

Good punctuality at school is essential for students to achieve their full educational potential. It is also vital for students to form good habits for later life. Pupils need to attend school regularly to benefit from their education. Missing out on learning, leaves children vulnerable to falling behind. Where students are persistently late, this will impact on the progress that students make in school. We do appreciate that there may be an occasion where a child is late for school with a genuine reason for lateness, however, where this is a recurring issue, a detention will be issued. If a child has three late marks in a half term, they are persistently

late to school. When a student reaches three late marks in a half term, they will be issued a same day 30 minute after school detention. This detention is compulsory and will escalate if the student does not attend. This is a deterrent to help improve punctuality and reduce lost learning time.

Unfortunately, we are seeing a significant increase in late students arriving each morning. Please can we remind all parents that we request students to be on site for 8.30am each day, classes start at 8.40am prompt.

We would like to thank you in advance with your support on this matter.

# Alumni Network

*If you are a former pupil, we want to hear from you!*

**Thank you for the overwhelming support we always receive from parents.**

We are extremely proud of our Alumni. When our students leave following completion of their GCSEs, they progress on to some incredibly exciting and far-reaching pathways.

## **What is it?**

The Consilium Alumni will be a network of former students across all Consilium Academies.

The Alumni programme aims to:

- Allow continued support where needed for our former pupils
- Create a network of former pupils who are now in further education or employment, who may be able to use this experience to inspire and support current students
- Celebrate the achievements of former pupils
- Advertise local jobs which may appeal to former students and their families

## **Who can join?**

Any former student or staff member from one of our Consilium Academies schools.

Join our network today and help us continue to build our Consilium community!

Measles is an infection that spreads very easily and can cause serious problems in some people. Having the MMR vaccine is the best way to prevent it. Two doses are needed to be fully protected. The uptake of MMR in Sunderland at age 5 years has reduced recently, putting some children at risk.

## **NORTHUMBRIA POLICE - WARNING TO PARENTS – DO NOT BUY E-SCOOTERS AS CHRISTMAS PRESENTS**

**It is against the law to  
ride a private e-scooter  
on a public road  
or pavement.**

We understand that buying your own e-scooter can be tempting, especially as you can get them from many popular retailers.

### **Why is this?**

E-scooters are classified as Personal Light Electric Vehicles (PLEVs), so they are treated as motor vehicles and subject to the same legal requirements, such as:

**MOT, Licensing, Tax, Insurance**

As e-scooters do not have number plates, signalling ability and don't always have visible rear lights, they can't be used legally on the roads.

Although unable to ride your own, there is a government trial taking place in the North East where you are allowed to ride a rented e-scooter.
