About the Academy

Thornhill Academy is an 11 to 16 secondary academy, with over six hundred students which occupies a large site in close proximity to Sunderland City Centre. Thornhill Academy is a unique school in its area, this uniqueness comes from the diversity of our student population. Across the school, students come from 14 different ethnicities, with 35 different languages. We are proud to be this vibrant and diverse community and have developed a culture that has moved far beyond tolerance and one in which we celebrate, learn from, and embrace our differences. The diversity of our community offers students and staff rewarding and deeply engaging experiences and supports staff on their journey to become inspirational and reflective practitioners, improving life chances for all in our community.

At Thornhill we take pride in developing each individual pupil to achieve their potential and make a positive contribution to society. We provide a safe, happy and nurturing environment in which we challenge all to strive for personal accomplishment and excellence.

Students, parents, staff and governors are proud of recent achievements here and, as well as helping students achieve the results they need to follow chosen career paths, has a huge and varied programme of activities and extra-curricular opportunities on offer.

Our Aims are to create an environment in which all take responsibility for their actions, behaviour and learning; relishing and learning from challenges. We want to create a safe, supportive and happy working environment in which diversity is celebrated and pupils and staff thrive. We have high expectations of all students in terms of behaviour and commitment to learning and of our parents in working with us as partners to support individual progress.

Thornhill Academy is a fantastic school and I believe it is our job to develop a lifelong passion for learning through high quality teaching which fosters curiosity and promotes independence. We are committed to recognising and developing the whole child: physically, emotionally, socially and intellectually, creating active and responsible citizens who lead a successful and fulfilling life.

Our young people tell us they are very happy here and we work closely with parents and carers to ensure a successful experience for all.

In December 2022, we were delighted to be named on the Department of Education's list of schools as part of the School Rebuilding Programme (SRP), being named in July 2023 as one of the fifty initial schools for development. We are now beginning the exciting journey to bring a state-of-the-art school to our community.
