Thornhill Parent Update 24th May 2024

It seems hard to believe that we are already at the end of half term 5 of this academic year. This has yet again been a very busy half term, especially with our Ofsted inspection at the beginning of the month. We are currently awaiting the draft report, and we hope to have the final report out to you by the middle of June.

In addition, plans for the new school build are moving at pace, and we should hopefully be able to share the plans with you all before the summer. Building however, will not commence for at least another year.

In school this week, we have had some fabulous opportunities come our way with free tickets for the UEFA finals at St James Park next week. The students have been selected for their dedication and commitment to their sports to receive these tickets. In addition, we have been successful in the Wimbledon ballot and have been allocated tickets for day 13 for Centre Court. This is the day of the women's final and will be a fantastic opportunity, one that many people would be keen to experience.

In school our students continue to make us very proud with their attitudes to learning, their care for each other and their desire to be the best they can be. Year 11's attitude to their GCSE studies have been phenomenal this year, and we know that they will continue to push themselves in the coming weeks. We are now over halfway through the exam series, with the bulk of exams in the first two weeks back after the holidays.

We wish all our school community a lovely half term. School begins again for half term 6 on Monday 3rd June. We look forward to welcoming all our students back to school on that date at 8.40am.

Important Information

School is closed from Monday 27th May to Friday 31st May for half term. School will reopen to all students on Monday 3rd June.

We are seeing increasing lunch account debt within school. Whilst we will not see a child without a meal in school all day, we cannot continue to offer the full menu.

From Monday 29th April, if your child's lunch account is overdrawn in excess of £10.00, you should either add funds or send them into school with a packed lunch. If not, we will only be able to offer the following food choices at lunchtime:

- Cheese corner sandwich
- Ham corner sandwich
- Jacket potato and beans.

In addition, there is always fresh drinking water available in the canteen.

If you believe that your child is entitled to free school meals and are not currently receiving the entitlement, please enter your details here [FSM checker](#)

The balance on your child's lunch account can be viewed via ParentPay. Alternatively, should you require help, please contact the main school office on 0191 500 7981.

Year 11 Public Examination Update

Year 11 pupils have been preparing for their forthcoming examination. The next few weeks are extremely important in terms of revision and final opportunities to maximise their examination outcomes.

To support your child in preparing for examination subjects, lessons will be running as normal. Pupils will be able to revise for any afternoon examination in a designated room and we will also be running a series of booster sessions before each examination.

Your child has been given their personal examination timetable. The examination window is Thursday 9th May -Wednesday 26th June 2024, and the full examination timetable can be found on the website, alongside further information about examination preparation.

Please note that examination contingency dates have been scheduled, these are:

- Thursday 6th June 2024
- Thursday 13th June 2024
- Wednesday 26th June 2024

Pupils are required to be available up to, and including 26th June 2024. Please avoid booking holidays or engagements that may overlap these dates. You can find out more details about the arrangements in the Ofqual Student Guide 2024

Pupils have been informed about examination regulations and this information can be found:

Spotlight on Student Achievement.

Well done, Kieran!

Last weekend I competed for my local athletics club, in the NECCA track and field athletics event. This was held in Middlesbrough. I have been involved in Athletics for a number of years and I really enjoy both elements of the sport. In the competition I took part in the long jump event. I originally had a personal best (PB) for the long jump, which was 3.77m, but during this competition, and after training hard for several weeks, both inside and outside of school, I was able to beat my PB each jump I did. My final PB at the end of the competition was 4.05m in length. This allowed me to win my heat and event. I succeeded in achieving a medal during the competition.

The image is a promotional graphic for Thornhill Academy's County Cup Cricket. On the left is a photograph of a cricket team of about ten students in dark blue uniforms, posing on a grassy field with buildings in the background. On the right is a dark red graphic with white text and icons. The text reads "Thornhill Academy's County Cup Cricket!" and "Well done to all those who participated in our Cricket match v Thorp this week!". There are icons of a group of people, a cricket ball, and a trophy. At the bottom are the logos for Thornhill Academy and Consilium Academies.

Social enterprise

Our amazing social enterprise group have been raising funds for a range of things they would like to see developing, to support our community from gathering aid for conflicts, blankets for refugees to updating our school's sensory room. Their fundraising really took off this week, raising £186.68, with their bake sale!

We wish the team the best of luck in their Dragons Den event on Wednesday 5th June!

Turn your online shopping into magic

Thornhill Academy are now registered with easyfundraising, which means you can raise FREE donations for us every time you shop online. Over 7,000 brands will donate to us when you use easyfundraising to shop with them – at no extra cost to yourself! All funds raised will be paid directly to the Academy to use for the benefit of the students.

These donations really mount up and make a BIG difference to us, so we would really appreciate it if you could take a moment to sign up and support us. It is completely FREE and only takes a moment. You can find our easyfundraising page at:

Assemblies

This week we received another visit from, Andy and the Youth for Christ Team. We always have a lively and engaging assembly from Andy, with a meaningful and thought-provoking message. He explored different types of families with us, and the importance of having families in our lives. Andy spoke of different groups in society who can become our 'family' as they come together to support each other. This sense of community is so important in all our lives.

Year 10 Assemblies

Over the final term, we will be holding additional assemblies for Year 10 to introduce them to different colleges and pathways beyond Thornhill. The colleges will be available during lunchtime also, for any students to pop in and ask questions about courses and what life is like at sixth form or college.

4th June- Gateshead College

11th June- Durham Sixth form

18th June- Newcastle college

Co-Curricular

In music, our new school band is in full flow of their rehearsals, and we can't wait for their debut gig in the summer term.

Personal development

Our Boys Network workshops continued this week. Stacey Riley, led an interactive lesson with the boys, helping them to explore their self-awareness, and how they great people professionally to make them stand out from the crowd on interview day. From practicing eye contact, to shaking hands, and maintaining posture. Students were again taken out of their comfort zone but in the end, they showed how respectful, mature, and professional they can be. We look forward to pulling this all together with interview question practice after half term.

Careers

Year 10 are coming close to their deadline to sign up for work experience placements. Students have been issued with their personal QR code and the guidance again for accessing the Connected Ed app.

This experience gives students the chance to find out about themselves, find out about careers, and find future opportunities. Work experience, for all of year 10, will take place in the week beginning 8th July. Students will either spend 5 days out of school completing a face-to-face workplace experience, which they find for themselves, or spend time in school on a range of virtual, and in school workplace experience activities.

See experiences gained last year!

Our dedicated sports students have been nominated to receive free tickets to the UEFA finals at St James Park. This is for their dedication and commitment to their sports fixtures and co-curricular. A huge Thank you to Vision for Education and Durham Women's FC for their generosity!

The Mercians

The Mercians are an up-and-coming rock band who have been touring schools and visited Thornhill last month to share their music, as well as share the importance of our awareness and support for mental health issues. They are now offering students the chance to buy their schools tour t-shirt for just £12. If any students are interested see the message on Class Charts and speak to Mrs Crooks.

Up and coming events next Term

10th June- My Money Week

My Money Week aims to get children and young people excited and interested in financial matters. This year's #MyMoneyWeek theme is, saving money and protecting the planet – students will be exploring how to reduce waste and take care of what they have. They will consider how their spending and saving decisions impact the planet, and their financial wellbeing, as well as others around the globe.

24th June- Culture Week

We have a very diverse mix of students from so many different cultures and countries. It is important for us to celebrate and reflect on our own culture and identity, as well as others around us. We can learn about our differences, to help be more understanding and tolerant. We look forward to the range of activities being planned for this week especially our cultural dress day on Friday 28th June.

Friday 31st May

Spoken Word with Rowan McCade (12-15yrs), 1pm - 3pm

Poetry can be proper boring, can't it? Daffodils... clouds... something about potatoes? Spoken word poetry is a bit different. It's all about getting in front of an audience, either online or on a stage, and wowing them with words that are big and bold. It might make you laugh till you cry, or hit you with an idea that's so surprising it completely changes your life. Rowan McCabe is a spoken word poet who has wowed audiences across the UK and Europe. He's performed at Glastonbury Festival, The Royal Albert Hall, and he's written poems for Channel 4, the BBC and the National Trust. Come and join Rowan for a fun and laid back workshop that will introduce you to the basics of writing spoken word, from getting your story down on the page, to hitting the stage. Whether you've never written a poem before, or you're looking to take things further, this is the workshop for you.

ParentPay App

Student Information – PLEASE UPDATE NOW

It is important that we have up to date information on your child. This includes correct address and telephone numbers, emergency contact details, medical updates, including allergies, etc.

Much of this can be updated by parents/carers through the ParentApp. Please log into ParentApp and check that all the information that we hold for your child is correct and update where necessary.

If you are unable to access ParentApp, please contact the main school office who will be happy to assist by making the changes and helping you set up ParentApp for future use.

Free School Meals

Please see the school details for information around Free School Meal entitlement. If you are not currently entitled to receive Free School Meals, complete the form and if, in the future, circumstances change, the entitlement could automatically start for your child.

Lunch Accounts

We are currently looking at all student lunch accounts and will be contacting parents/carers where there is significant debt on a student's account. We will no longer be able to provide meals for those students who have considerable debt on their accounts and who make no payment to reduce the balance.

Please clear any overdrawn balance now or contact the main school office if this will cause undue financial burden.

Sharp Reporting System

Were you aware Thornhill has a web based anonymous reporting function? This is the direct link to the reporting feature, but this can also be accessed through the school website: <https://thornhill.thesharpsystem.com/>

Please can we ask you to ensure that as a parent you have downloaded the app or access class charts via the browser <https://www.classcharts.com/parent/login> to login.

Class charts is the main method of communication between staff, parents and pupils. If you do not have these details or need your password resetting, please contact school and we can give you this over the phone or alternatively email thr-enquiries@consilium-at.com

Please can we remind all parents that we request students to be on site for 8.30am each day, classes start at 8.40am prompt.

We would like to thank you in advance with your support on this matter.

Derwent Hill

We are excited to announce that we can open the opportunity to visit Derwent Hill to all our students in November 2024. The updated dates are 15th to 17th November.

Derwent Hill is an outdoor activity centre in the Lake District who offer a range of outdoor teambuilding and adventure activities. Students will be able to collect a letter from reception. We have unfortunately had to cancel the geography trip to Derwent hill in July, but places can be transferred to November, just get in touch with the school to organise this or a refund.

For more information, contact Mrs Crooks.

Alumni Network

If you are a former pupil, we want to hear from you!

Thank you for the overwhelming support we always receive from parents.

We are extremely proud of our Alumni. When our students leave following completion of their GCSEs, they progress on to some incredibly exciting and far-reaching pathways.

What is it?

The Consilium Alumni will be a network of former students across all Consilium Academies.

The Alumni programme aims to:

- Allow continued support where needed for our former pupils
- Create a network of former pupils who are now in further education or employment, who may be able to use this experience to inspire and support current students
- Celebrate the achievements of former pupils
- Advertise local jobs which may appeal to former students and their families

Who can join?

Any former student or staff member from one of our Consilium Academies schools.

Join our network today and help us continue to build our Consilium community!
